

STANLEY INDUSTRIES INC COMMITMENT TO VALUE POLY BAGGING AND KITS

Stanley Industries Inc. offers a wide range of custom solutions for your fastener packaging needs. Using both high speed machining and hand packaging methods we can provide your custom kitting needs with quick turnaround. In addition, we can combine and package fasteners with any other *non-fastener* components you may need. Our custom packaging services take into account all of the variables that your kit may require such as :

- Box or Bag Size
- Weight
- Quantity of Each Component
- Custom Label Size
- Barcoding
- Part Numbering System

Our packaging services eliminates the need for additional handling or low value steps at your facility. In choosing to bag or box your fastener inventory helps to eliminate loose parts on the plant floor, while providing exact lot sizes for each assembly.
